

Black Bear G.C. Play & Stay Packages

If you wish to book a Play & Stay Package with us we first suggest that you look at our Tournament Calendar to see if the course is available on the dates you would like to play golf. Your next step will be to contact the Pro Shop @ 218-878-2485 to check on availability of tee times. Once your tee times are booked we can transfer you over to the hotel to book your room under the Golf Play & Stay Package.

When you arrive at the Resort we ask that you check in to the Hotel first. They will give you a Play & Stay Voucher that you will bring over to the Golf Course to use when you check in for golf. All of your charges for your golf fees will then go on your room charge. If you are unable to get in to your room because of the time of day you can still pre-register at the Hotel and their staff will issue you your Voucher to bring to the course.
